### **NEW PLAYERS TO SGU**

- We offer players the opportunity to try on uniforms the nights of the organizational meetings.
- We do ask you **NOT** to bring your child during **YOUR** team organizational meeting. Any other time is fine. All children must be supervised and are not allowed to hang around while the parents are in the meeting. Volunteers will be there to help answer any questions.
- The jerseys come in both male and female cuts. **BE SURE** when you are trying them on, you have the right gender. The female version runs much smaller and is tapered.
- The men wear red and white, while the ladies wear red and navy uniforms. It is required to have both colors for the season.
- SGU wears custom logo socks as part of their uniform. These are required.
- **DO NOT** think you can order the same size your child wore last year if he/she was in a different brand or style. All the brands and styles run differently.
- The numbers and logo get screened at Eurosport, so if you make a mistake in size, it is still yours!
- Youth sizes are unisex. If you order youth sizes, it may have a male label, but the cut fits both the men and the ladies.
- You can find the uniform ordering form on the SGU website. Please print it out and bring it to the organizational meeting. Do not fill it out until you are sure of the sizes you need and optional items you may wish to order. There is both a GIRL and BOY version of the order form. Please print out the one that suits your needs. (**[www.stgilessoccer.com](http://www.stgilessoccer.com)**)
